

Our Student Ministry exists to:

1. Help students develop their relationship with Christ.
2. Help students grow through worship, Word and study.
3. To provide an encouraging and uplifting environment.
4. To provide opportunities for students to use their talents.
5. To help students understand the importance of family.

10:30 AM Sunday

Our students (6th-12th grades) join together in The Refuge for a teen worship service.

We call it "The Zone" because we believe that it's a place where students can tune in/zone in on their relationship with their Maker.

The second Saturday of each month, we head to downtown Wichita to serve the needy and be Jesus to a hurting world. It runs from 11:30 a.m.-1:30 p.m. Lunch is served to people in need and clothes are distributed. It's also an opportunity to socialize and pray for those in need.

True Talk

This is a time for middle schoolers to be with middle schoolers and high schoolers to be with high schoolers. These are large classes for students to grow in their faith. We meet on Sunday mornings at 9:30 a.m. in the Youth Center.

D-Groups

D-Groups meet each week from 5:15-8:00 p.m. The students meet in their groups from 6:15-7:00—the rest of the time they hang out in the Youth Center. Each week the students will go through the section of scripture that was preached on in the Zone, diving deeper and talking it through to make sure they understand before moving on. D-Groups are small groups based on age and gender. At the end of our D-Group time each week, the students will be given a five-day devotional guide to prepare them for the next week's lesson. ALL students must come to the Zone, D-Groups and dive into the Word every day for our model to work!

Welcome to TRUE Student Ministries at Countryside Christian Church! We hope that this brochure will help open your eyes to what our student ministry has to offer.

This semester, we are challenging our students to grow deep in Christ. We call it our TSM growth plan. Each week in our zone teen worship service, we study a section of scripture, then that evening in our Discipleship Groups the students will dive deeper into the same section of scripture, making sure they understand the original context, the original meaning and what it means for us today! At the end of the D-Group time, the students will be given a five-day devotional guide, which will get them in the Bible throughout the week, preparing them for the next week's lesson.

This semester, we're working through the book of Galatians. Galatians 5:6 says *"the only thing that counts is faith expressing itself through love."* Our focus will be "FAITH" and "LOVE"!
